The Mildly Amazing Man-Tree

Is he a
MAN
or a
TREE?

or
BOTH?

Who am I? Where am I?
What am I?

Boss, ya sure
it's a good idea to dump
this stuff here?

Yes.
I
need to for
a... friend of
mine.

Whatever.

Ah yes. I remember
who created me.

It was them.

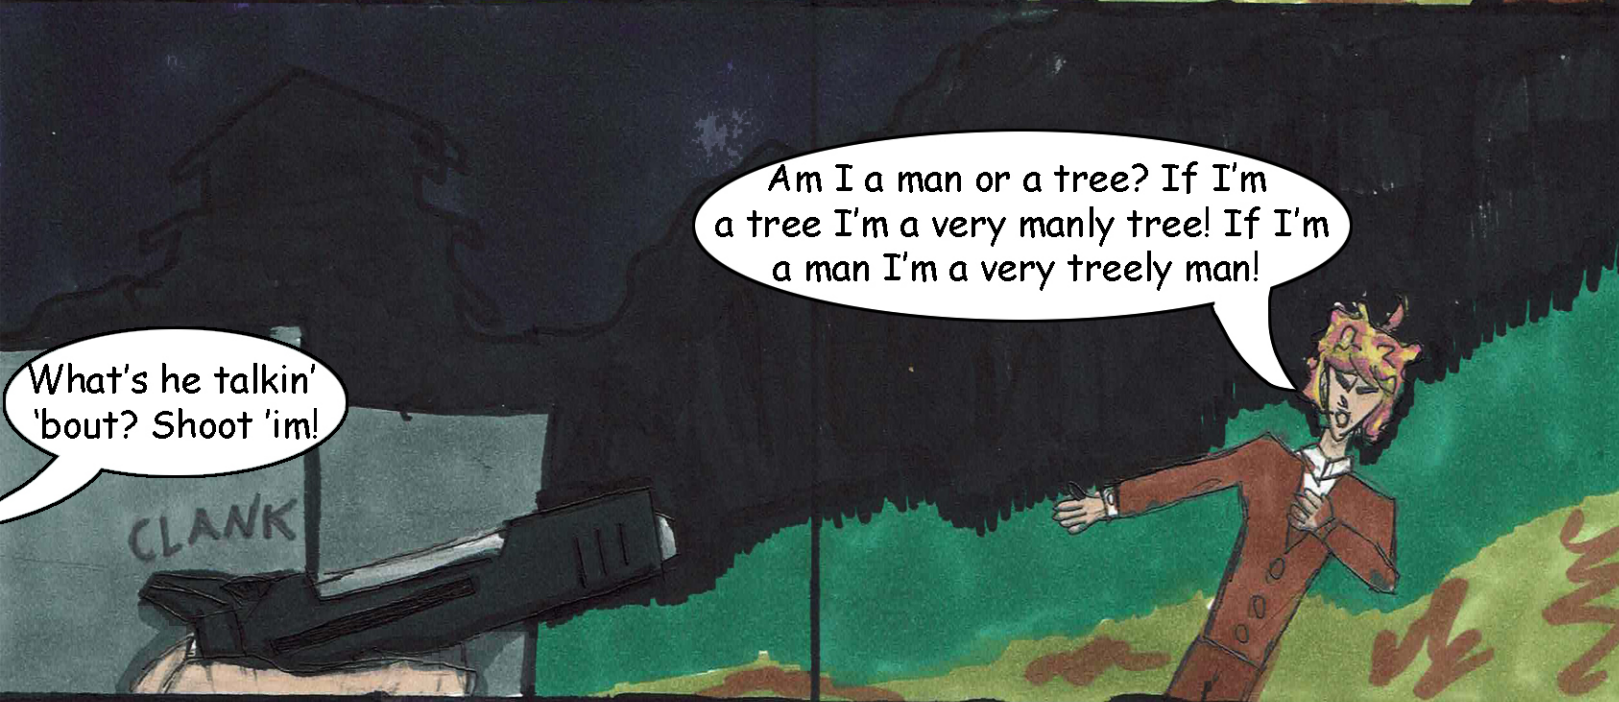

Keep dumping!

Am I a man or a tree? If I'm a tree I'm a very manly tree! If I'm a man I'm a very treely man!

What's he talkin' 'bout? Shoot 'im!

CLANK

Huh?

RAAA WWHHH

RUN!

He turned into a *tree*!

TALK BOX

Hello dear reader!

We hope you enjoyed our newest addition to the Slapdash Comics library. This is the origin tale of a new (and mostly experimental) character: the Mildly Amazing Man-Tree! He gained his leafy powers after being dumped into a river full of nasty chemicals. He then washed up by a park full of Japanese Maples and absorbed their power! And yes, this story is set in Japan, hence the I-would-like-to-but-can't-actually-do animeish style (look its hard trying to provide diversity with only one artist). On that note however, we do have some more short stories like this featuring NEW ARTISTS!!!! Yes, we actually did it! These stories will feature new and whimsical characters, and they may even make an appearance in more main-stream series, like CK! Speaking of the Captain, the artist of CK (who also happens to be typing this) is going to get to work on CK#3 ASAP, right after the ARBOR DAY SPECIAL! Everyone's favorite holiday, right? Aforementioned special will also star the title of this book, you guessed it, MAN-TREE! Funny how we have a tree hero on a tree holiday. That was planned. The Arbor day special will be releasing sometime around April 30th, but no promises as I am very busy IRL, but will be grinding out that next book as fast as I can. We also have plans to upload something VERY SOON to our TIK TOK and YOUTUBE! You can find links to those on our website. That's all for now, but I will see you all next time!
